Re: Steve Parillo

Gentlemen:

Between January 1 and September 1, 1946 the above party was in your employ as a Special Officer. I represent him in a domestic relations matter and, for Court purposes, I am obliged to obtain and present to the Court evidence of his earnings. I believe I can avoid any further inconvenience to you if I could receive a statement showing his earnings during the period mentioned. I regret very much that I have to annoy you with such a matter.

Sincerely yours,

ARTHUR J. CONNELLY
